Вільний доступ.

Електронний каталог

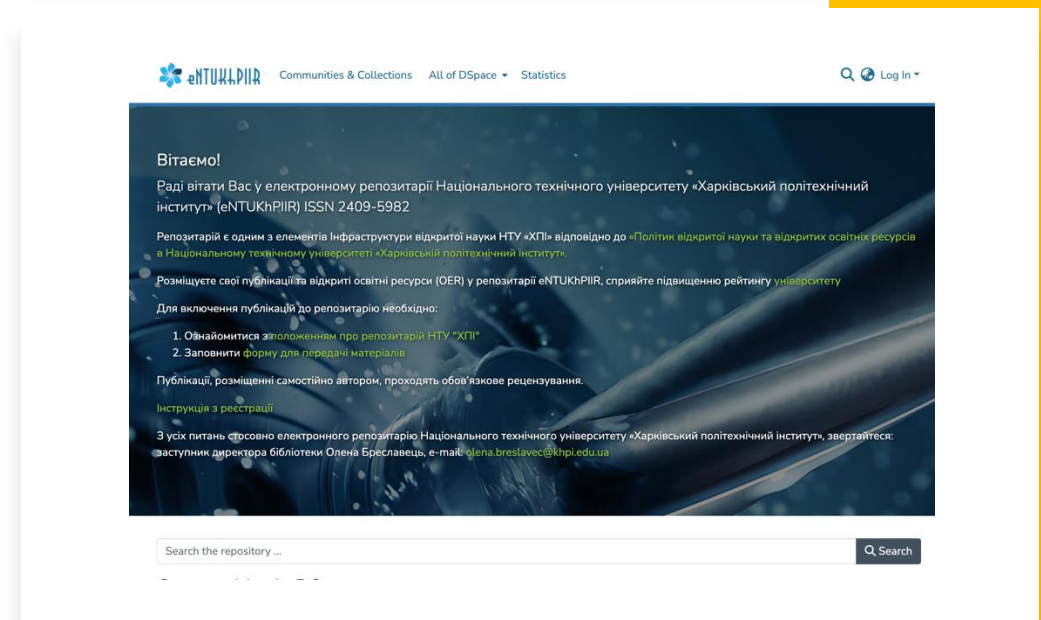

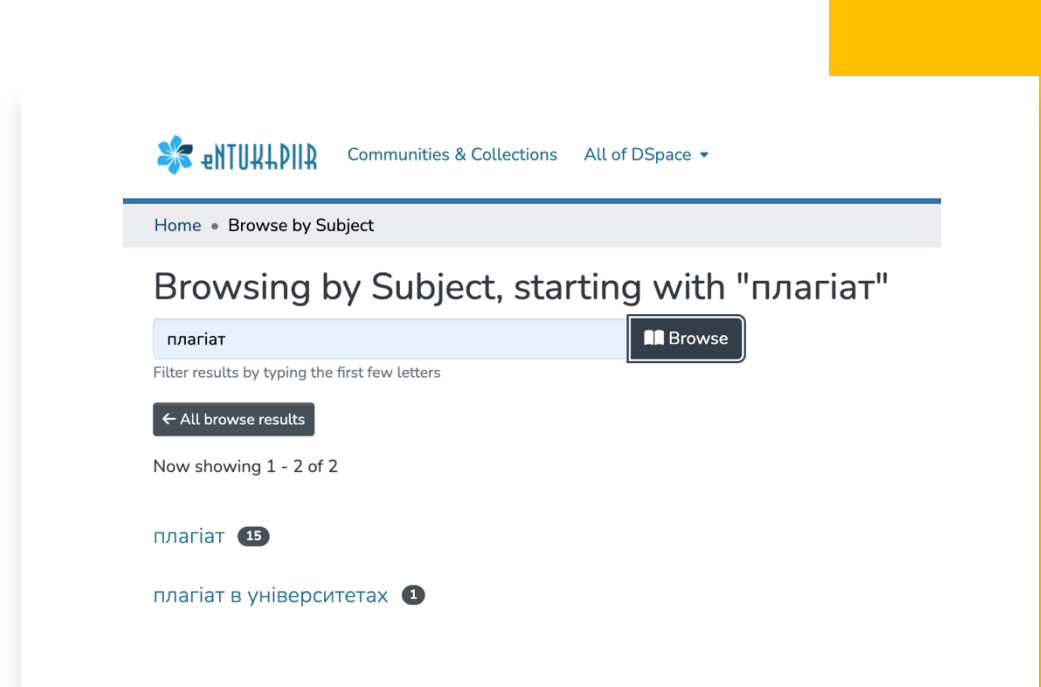

Електронні ресурси власної генерації:

1. Електронний каталог (6 БД) — **861 072** записів.
2. Повнотекстові електронні ресурси — **84 720** документи, у тому числі: інституційний репозитарій «Електронний архів Національного технічного університету «Харківський політехнічний інститут» — **76 055** записів.

Електронний архів Національного технічного університету «Харківський політехнічний інститут»

- **Інституційний репозитарій «Електронний архів Національного технічного університету «Харківський політехнічний інститут», за даними **TRANSPARENT RANKING: All Repositories (March 2024)**, який визначає рівень індексації даних, посів **59 місце** у світовому загальному переліку інституційних репозитаріїв, та **2 місце** в Україні.**

Зовнішні ресурси (1)

Інформаційно-аналітичні системи

- Платформа **Web of Science** (<https://www.webofscience.com>). Для налаштування віддаленого доступу заповніть форму (<https://forms.gle/vbsmPzg61ne7a2qT8>) або зареєструйтеся (авторизуйтеся) на платформі Web of Science з ПК університету.
- **Scopus** (<http://scopus.com/>). Інструкція з налаштування віддаленого доступу http://library.kpi.kharkov.ua/files/documents/scopus-remote_access-ntu-khpi.pdf. Наукометрична реферативна база даних наукових цитувань, яка була створена в 2004 році видавничою корпорацією Elsevier. База даних містить більше 82 млн документів (наукові рецензовані журнали, матеріали конференцій, серіальні книжкові видання тощо). Глибина архіву сягає 1788 року.
- **SciVal** (<https://www.scival.com/home>) Інструкція з налаштування віддаленого доступу http://library.kpi.kharkov.ua/files/documents/scopus-remote_access-ntu-khpi.pdf. Аналітичний ресурс компанії Elsevier, який дозволяє здійснювати аналіз та моніторинг міжнародних наукових досліджень за допомогою різних модулів.

The screenshot displays the Research4Life website interface. At the top, the 'research4life' logo is on the left, and 'Feedback Help' is on the right. A search bar contains the word 'Chemistry', which is circled in red. To the right of the search bar are 'Options', 'New Search', and a language selector set to 'English'. Below the search bar, a left sidebar titled 'Refine your search' includes filters for 'Full Text Online' (checked and circled in red), 'Scholarly & Peer-Reviewed', 'Content Type' (with a dropdown menu), 'Publication Date' (with buttons for 1, 3, 5, and 10 years), and 'Discipline'. The main content area shows two search results. The first result is an eBook titled 'Chemistry: Energy, Matter, and Change' by Tucker, William B (2024), with a 'Full Text Online' tag. The second result is a journal article titled 'Construction of sulfur-containing moieties in the total synthesis of natural products' by Wang, Nengzhong; Saidhareddy, Puli; Jiang, Xuefeng, with a 'Full Text Online' tag. A right sidebar provides a definition of Chemistry and lists related topics: Nuclear chemistry, Biochemistry, and Physical chemistry.

Chemistry

Chemistry is the scientific study of the properties and behavior of matter. It is a physical science within the natural sciences that studies the chemical elements that make up matter and compounds made of atoms, molecules and ions: their composition, structure, properties, behavior and the changes they undergo during reactions with other substances. Chemistry also addresses the nature of chemical bonds in chemical compounds.

The image shows the homepage of the Research4Life website. The background features a blurred image of a desk with a laptop, a notebook, and a coffee cup. The main heading reads "Welcome to Research4Life". In the top right corner, there is a navigation menu with the following items: "Content", "Collections", and "Help". The "Collections" dropdown menu is open, and the "Journals" option is highlighted with a red circle. Other options in the dropdown include "Books", "Reference Sources", "Databases", "Free Collections", "Information Providers", "Recent Resources", and "Subjects". At the bottom of the page, there is a search bar with the placeholder text "Search across all Research4Life..." and a magnifying glass icon. Below the search bar, it says "Search function provided by Summon" and "ADVANCED SEARCH" in red text.

The screenshot displays the Research4Life website interface. At the top left is the logo, and at the top right are navigation links for Content, Collections, and Help, along with a language selector (EN) and search/user icons. The breadcrumb trail shows 'Home / Journals'. A sidebar on the left contains filters for 'Journals', 'Engine', 'Collection' (with checkboxes for AGORA, OARE, Hinari, ARDI, GOALI), 'Content Type' (with a checkbox for Journal), and 'Subject'. The main content area features a search bar with 'Engine' and a search icon, followed by a list of journals. The first journal, 'CM SIGSOFT Software Engineering Notes', is highlighted with a red circle around its 'F' icon. The second journal, 'ACM Transactions on Software Engineering and Methodology', is also highlighted with a red circle around its 'F' icon. The third journal, 'CS Applied Engineering Materials', is highlighted with a red circle around its 'P' icon. A red circle on the right side of the page highlights the 'Access Key' section, which includes a legend for 'P Titles Provided', 'OA Open Access Content', 'F Free Content', and '! No Access Provided'. Below this is the Research4Life logo and tagline, and a 'Find out more' section with links to a training portal, MOOC/webinars, YouTube videos, and a new portal video.
