**Conference
Proceedings**

Volume I

A blue-tinted photograph showing a close-up of precision engineering machinery, likely a lathe or similar tool, with various metal components and a curved track visible.

**6th international conference and
8th annual general meeting of the
european society for precision
engineering and nanotechnology**

***May 28th – June 1st 2006
Baden bei Wien, Vienna, Austria***

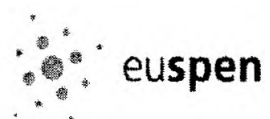

Proceedings of the 6th International conference
european society for precision engineering and
nanotechnology

May 28th- June 1st 2006
Baden bei Wien, Vienna

Volume 1

Editor: H. Zervos

Local Organising Committee: W Brenner
A. Frank
P. McKeown

Proceedings of the 6th euspen International conference
Volume 1/Volume2

Reviewing by:

Prof. P. Atherton	Dr J. van Eijk
Prof. E. Brinksmeier	Prof. A. Frank
Prof. M. Bonis	Dr P. Gall-Borrutt
Prof. C. Brecher	Dr W. Knapp
Prof. W. Brenner	Dr L. Kudla
Prof. S. Büttgenbach	Dr R. Leach
Mr. K. Carlisle	Prof. P.A. McKeown
Prof. K. Cheng	Prof. A. Slocum
Prof. D. Chetwynd	Dr H. Spaan
Prof. J. Corbett	Dr S.A. Spiewak
Prof. G. Davies	Prof. Y. Takeuchi

Contents

Volume 1

Keynotes.....	3
Latest Developments in Large & Nano Optics.....	23
EUV Lithography Technology Developments.....	95
Mechatronics & Dynamics.....	102
Sensors, Actuators & Control.....	171
Ultra Precision Machine Systems.....	240
Micro & Nano Metrology.....	373
