**P 34 INTERNATIONAL TOURISM IN TOPICS English-  
Ukraini Russian Dictionary. Educational edition.**

**– Kyiv: Publishing House «Caravela», 2019. – 320 p.**

**ISBN 978-966-801-973-3**

This book is simultaneously an educational and lexicographic edition. It contains most used terms, terminological combinations and topical vocabulary reflecting relative thematic notions within the sphere of “international tourism”. The whole vocabulary is divided into sub-topics, which leads to the edition not only informative but also educational character favoring an active development of language skills.

The dictionary is intended for students of higher educational institutions and also for professionals in the sphere of international tourism, as well as for all learners of English.
