The background of the cover is a dark blue, futuristic digital interface. It features various data visualization elements: a glowing globe of Earth in the center, held by a hand with fingers spread at the bottom. The globe is illuminated from below, creating a bright glow. Surrounding the globe are various digital elements: a bar chart on the left, a pie chart on the right, and several floating windows or panels. One panel in the upper right is labeled 'X MEDIA'. Another panel in the lower right shows a world map with the word 'WORLD' partially visible. The overall aesthetic is high-tech and data-driven.
