Смирнов В.Н.

НОВЕЙШАЯ ИСТОРИЯ НАРОДОВ МИРА

*исторические традиции и менталитет
народов Белоруссии и Польши*

()

: « », 2021. — 274 .

ISBN 978-617-7664-42-9

Summary

The presented book examines the historical traditions and religious rituals, as well as the myths and legends of Poland and Belarus. Along with this, the activities of prominent state, socio-political and military figures, representatives of art, science, literature and cinema are shown against a broad historical background. These materials can be used in the educational process as a guide.
