Editorial board

Novosibirsk State Technical University

Chief Editor

Vostretsov A. G., D. Sc. (Eng.), Novosibirsk State Technical University,
Novosibirsk, RF

Deputy Chief Editor

Kharitonov S. A., D. Sc. (Eng.), Novosibirsk State Technical University,
Novosibirsk, RF

Executive Secretary

Voevoda A. A., D. Sc. (Eng.), Novosibirsk State Technical University,
Novosibirsk, RF

The members of the editorial Board

Voskoboinikov Yu. E., D. Sc. (Eng.), Novosibirsk State University of Architecture
and Civil Engineering, Novosibirsk, RF

Grigor'ev Iu. D., D. Sc. (Eng.), Saint-Petersburg Electrotechnical University "LETI",
Saint-Petersburg, RF

Malysenko A. M., D. Sc. (Eng.), National Research Tomsk Polytechnic University,
Tomsk, RF

Mukhopad Iu. F., D. Sc. (Eng.), Irkutsk State University of Railway Engineering,
Irkutsk, RF

Ruban A. I., D. Sc. (Eng.), Siberian Federal University, Krasnoyarsk, RF

Khabarov V. I., D. Sc. (Eng.), Siberian Transport University, Novosibirsk, RF

CONTENTS

A UTOMATIC CONTROL AND IDENTIFICATION

Grinkevich V. A. Temperature controller design for Peltier element.....	7
--	---

MODERN INFORMATIONAL TECHNOLOGIES

Ilyin A. A. Development of software-hardware complex for the study of face recognition algorithms.....	32
Omelyanenko E. A. Developing a system for recommending and automating software deployment to remote terminals.....	42
Parshin S. E. Research of parameters of face recognition algorithms.....	55

INFORMATION PROCESSING

Boboev Sh. A. Using the LS-SVM method to study the process of complexation of transition metals with thiourea derivatives in aqueous and aqueous-organic solutions.....	71
Boboev Sh. A. The application of the LS-SVM method for the analysis of LIDAR and Motorcycle samples.....	85
Karaush A. S. Review and analysis of methods for enhancing speech intelligibility through acoustoelectric channels of information leakage.....	100

PHYSICS AND MA THEMATICS

Bektemirov I. T., Seleznev V. A. About statistics of Gauss-Kuzmin for chain cracks.....	114
--	-----

SHORT PAPERS

Zavorina L. D., Selifanov V. V. Development of the system of protection of information of a significant object of critical infrastructure of the Russian Federation.....	123
Zyryanova E. V., Belov V. M., Kosov D. L. Application of the algorithm for quality assessment of normative legal acts on the example of quality assessment of state standards in the field of information security of telecommunication systems.....	132

Editor *L. N. Kinsht*
Publishing Editor *I. P. Brovanova*
